## Dynamic Series

# Dynamic

The combination sofa has a 90-degree turning angle, 135-degree turning angle, as well as a teaching backrest setting with high and low backs, to meet the needs of different spaces, high backs can be used together with connected bar tables. Increase the multiplicity of the environment.

## Dynamic

The form of free combination is changeable, and you can freely combine his stitching form according to your own ideas. Different colors match the user's pleasure.

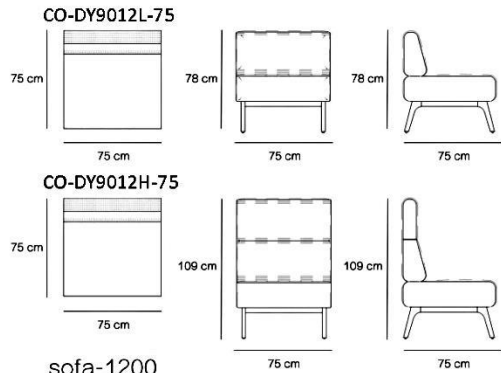

Different selection of fabrics, random collocation of colors, and random arrangement of high and low backs, without changing a collocation way, can give you different visual insights.
